Hi Tom,
We would like to start at 9:00am. So any time before that would be good. Sorry, it looks like a neglected to include the start time in my note.

Dinner would be great. There will be five others from out of town who will also be needing to eat. So do you mind if it is a party? We are all staying at the Quality Suites on 8th between C and D Streets. The Hilton is about four blocks away. We plan to get done around 4 on Thursday, though we might go longer. Do you have a cell number I can call? Or you can call mine: Ex. 6 - Personal Privacy

Do you know when Daniel is getting in?

Phil,
Thanks - at what time should I meet you on Friday?

In addition, I will be free from the ADF&G meeting by the end of the working day Thursday and would be happy to meet you for dinner if that suits you. We could talk about things besides mining!

I will be staying at the Hilton but I gather that is not far from where you are.
